ENQUIRY CONCERNING FEES

The Commissioner of Patents
and Trademarks
Washington, D.C.
20231, U.S.A.

Dear Sir:

Re: United States Patent Application No. 10.086,862
For: CATALYTIC HUMIDIFIER AND HEATER FOR THE
FUEL STREAM OF A FUEL CELL (DIV.)
Filed: March 4, 2002
Applicant: Xuesong Chen et al.

This is further to the refund cheque received from your office in the amount of \$84.00, your cheque number 2049-63744507. This indicated that this refund was being sent, as an additional fee for an independent claim was not required.

On further checking our file, we note that there were a couple of minor errors with respect to fees, which we now are correcting. Firstly, in the "Method of Payment" box on the Fee Transmittal Form, this should have been checked to indicate that the Commissioner is authorized to charge any additional fees or credit any overpayments during the pendency of the application to our Deposit Account 022095. Additionally, on the Application Data Sheet, this was incorrectly completed to indicate that small entity status is being claimed. Applicant is not a small entity, and small entity status has not been claimed, as correctly indicated on the other documents filed.

Respectfully submitted,

H. Samuel Frost
Registration No. 31,696
